DBS "Sports for All" Programme

29th December 2011

Dear Parents,

Sporting activities are an integral part of our school programme. We would like to encourage all our G.7 to G.12 boys who are not members of any school teams, school orchestra, or choir to participate in various sporting activities arranged for them after school hours. Each boy may participate only in one kind of sports course in each school term. If your son wants to participate in more than one Sport, you may do so by putting in more than one '1' in the column of "Preference of choice" in the reply slip. Last year, over 250 students took part in this programme.

The programme will start in February. In the second term, we offer 9 different kinds of sports, including archery, badminton, basketball, football, hockey, tennis, table tennis, swimming and golf.

In the first term, the course fee is \$900 (including one to two extra lessons in the case of bad weather or special arrangement). ***No make up lessons will be arranged*** for the convenience of administration. Moreover, class will not open if less than eight students register. To join the programme, please fill in the reply slip and attach a cheque made payable to "***Diocesan Boys' School***" which covers the cost of engaging expert coaches. We hope that students can take this opportunity to enjoy the fun of sports.

Yours faithfully,

Terence Chang
Headmaster
