Diocesan Boys' School

Traffic Arrangements

The School Drive is the ONLY access route to the school. It is imperative that quick access to the School be provided to ensure a fast response by emergency vehicles for the safety of all students, staff and others in the School premises.

In view of this, the School will enforce the following traffic arrangements with effect from **22nd April, 2013 (Monday)**:

During school days, vehicles with entry permits will only be allowed access to the School premises for pick-up or drop-off. Vehicles will not be allowed to stop and wait along the George She Drive and Chi Ping Drive, or at the Roundabouts of the Secondary Division and Primary Division, or park their vehicles at any part of the School premises, unless explicit permission is granted by the School.

Parents are kindly asked to take note of this and to inform their drivers to ensure the smooth implementation of the traffic arrangements. The School advises that students take public transport or that parents pick up students outside the School premises.

Should you have any questions or inquiries regarding the new traffic arrangements, please contact the Dean of Students of the Secondary Division Mr. K.K. Ng at 27685612 or Mr. Anthony Lau of the Primary Division at 3159 4318.

Thank you for your attention.

Ronnie Cheng,

Headmaster
