The Homecoming Concert 2004 DVD has finally been released! Included in the DVD are the memorable performances of students, old boys, parents and friends of the school. Anchored by our School Orchestra, the concert programme includes famous numbers from classical music to popular music. These include “Finlandia” performed by our 100+ DBS Choir; Sarasate’s “Carmen Fantasy” performed by internationally renowned violinist alumni Lee Chuan Yun; “Les Miserables” medley performed by our 350+ award winning Mixed Choirs with DGS and HYS; Saint Saens “Piano Concerto” performed by our talented pianist and parent: Miss Nancy Loo.

Many celebrity alumni also returned to perform: Patrick Dunn, Mahmood Ramjahn and Tarzan were all there to support the school. Last but not least, our featured artist and alumni GEORGE LAM brought the concert to its climax by performing his famous chart-toppers.

Bonus features include pictures, video and interview footage of the concert. A bonus CD of Dvorak’s symphony number 9 “From the New World” recorded by our school orchestra alumni and members is also included in this box-set.
