

Diocesan Boys' School Student Financial Assistance Scheme An overview (2025–2026)

1. Introduction

The Student Financial Assistance Scheme provides financial assistance to eligible parents of students from Grade 7 to Grade 12 in the forms of fee remission, low cost lunch, textbook subsidy and school uniform subsidy for their children in Diocesan Boys' School.

2. Eligibility

2.1 The student must **either** be:

- (1) already studying in Diocesan Boys' School and will continue to do so in the coming academic year; or
- (2) enrolled to start his study in Diocesan Boys' School in the coming academic year.

2.2 The following schemes are available for application to eligible parents or legal guardians:

- **Fee Remission Scheme**
- **Low Cost Lunch Scheme**
- **Textbook Subsidy Scheme**
- **School Uniform Subsidy Scheme**

2.3 Needy students, including those from families receiving Comprehensive Social Security Assistance and those receiving financial assistance provided by the Student Finance Office of the HKSAR Government, could apply for the above schemes, including school fee remission.

3. Application Procedures

- 3.1 Applications must be made by the student's parents or his legal guardian(s).
- 3.2 A new application should be submitted every school year.
- 3.3 One application form should be completed for each student.
- 3.4 All application forms must be duly completed and submitted to the School with all necessary supporting documents on or before the application deadline. Under normal circumstances, the School will not accept applications submitted after the deadline. However, if need arises (e.g. the family experiencing unexpected and

sudden financial hardships in the middle of the school year), the School may give special consideration to individual cases.

- 3.5 An application failing to provide detailed and accurate information or required documentary evidence may delay the vetting process.
- 3.6 After the application deadline, the School will check the application forms and may conduct investigations into the applications if deemed necessary.
- 3.7 The School reserves the right to interview applicants.
- 3.8 The School holds the final decision over the result of applications.

4. Forms of Financial Assistance

4.1 Fee Remission Scheme

The actual amount of fee remission is based on the level of assistance expressed as a percentage (a fee remission of 25%, 50%, 75%, or 100%) that is applied to the school fee chargeable by the School in the particular school year.

4.2 Low Cost Lunch Scheme

- (1) Eligible students can enjoy low cost lunch (without drinks) on school days from October 2025 to June 2026 at the school canteen.
- (2) In order to enjoy low cost lunch during the following periods, payments should be made to the School accordingly:

	Grade 7 to Grade 11	Grade 12
Period 1: October 2025 to December 2025	HK\$360	HK\$360
Period 2: January 2026 to March 2026	HK\$360	HK\$360
Period 3: April 2026 to June 2026	HK\$360	

4.3 Textbook Subsidy Scheme

- (1) The textbook subsidy scheme aims to provide needy students with reimbursement of the actual amount of money spent on the purchase of textbook(s) listed on the booklist.
- (2) The maximum amount of textbook subsidy is HK\$4,500 for Grade 7 to Grade 12 students. For students receiving subsidy under the School Textbook Assistance Scheme from the HKSAR government, the maximum reimbursement provided will be the remaining difference after deduction of government subsidy in that academic year.

4.4 School Uniform Subsidy Scheme

- (1) The school uniform subsidy scheme aims to provide needy students with reimbursement of the actual amount of money spent on the purchase of school uniform.
- (2) The maximum amount of school uniform subsidy is HK\$2,500.

5. Method of Assessment

- 5.1 All applicants are subject to income assessment. The *Gross Annual Family Income* mechanism will be used to assess eligibility for receiving financial assistance from the Scheme.
- 5.2 The *Gross Annual Family Income* of the family means the annual income* of the applicant and the applicant's spouse (please refer to Appendix for details), 30% of the annual income* of any unmarried children residing with the family, and the contributions from other children, relatives and friends.
- 5.3 *Family Members* refer to the applicant, the applicant's spouse, the unmarried children residing with the family and the dependent parents.
- 5.4 Eligibility for receiving financial assistance from the Scheme is dependent upon the level of *Gross Annual Family Income* and total number of *Family Members*. This is set out in Table 1. (For other combinations of income and family members, see para. 5.6.)
- 5.5 In a single-parent family, the total number of *Family Members* is, for the purpose of calculation, increased by one additional member.
- 5.6 The School will also consider, on a case by case basis, applications from families whose total number of *Family Members* exceeds eight.
- 5.7 The School reserves the right to verify the information provided by the applicant in support of the application.

* Annual income refers to the total income earned in the previous fiscal year of the government.
