Dear Parents/Guardians,

ANNUAL GIVING PROGRAMME 2018/2019
Let's Invest in the Future of our Children: Make a Gift to Our School

The pursuit of all round excellence has always been a key mission of DBS. Over the years, our school has grown into a vibrant and supportive education community. While our aim is to provide high quality education to our boys, we have to strive continuously to keep abreast with times, and cater to the ever changing needs of our students.

You may have noticed that our school fees are set relatively low compared to our peers. Subsidy received from the Hong Kong Government are calculated on a per student basis but such amounts do not cover the costs for many aspects of maintenance and our extensive grounds. The extra-curricular activities, school team training programmes for inter-school competitions and Center for Further Studies are heavily subsidized by the School and therefore require extra funding.

On behalf of DBS and the DBS Foundation Limited, we sincerely invite all our parents to contribute through the Annual Giving Programme. The Annual Giving Programme is about unleashing the power of collective support in our community and instilling a culture of giving as a way to invest in our boys. Every gift, regardless of size, takes the School closer to its vision and objective. Let's invest in the future of our children.
