Soft copies of these forms will be provided on the school website for students to print out and bring to school.

Under the special half-day timetable, students must leave the School and go home immediately after their classes end at 1:20pm. Lunch service on campus will also be suspended until further notice.

Please keep an eye on the school website for the latest information. We look forward to seeing you on the Hill again and thank you in advance for your cooperation.

Yours sincerely,
