Notice No.: SN/2009-114

22 September 2020

Dear parents / guardians,

**Postponement of Garden Fete 2020**

Due to the ongoing uncertainties posed by the coronavirus pandemic and with safety being our primary concern, the annual Garden Fete, originally scheduled on 8th November (Sunday), will be postponed to the second term. As such, the following of 9th November will be a school day for students. The new date and further details for the Fete will be included in a future notice. Please stay tuned and we await the time when we can all gather on the Hill as an extended Diocesan family once more.

Yours faithfully,

---

R.K.Y. Cheng
