9 January 2022

Dear Parents / Guardians,

Commencement of Online Teaching

Pursuant to the notice released on Thursday, 6 January, the student who was quarantined for testing has not yet received his COVID test result and is required to stay at Penny's Bay Quarantine Centre for further medical observation. As face-to-face lessons will continue to be suspended, **online teaching will be implemented on Monday, 10 January until further notice.** The Boarding School will remain closed, and refund arrangements for G7 lunch orders will be announced in due course.

Please note that **online teaching will be conducted according to the half-day timetable implemented in September 2021.** All students are reminded to check Google Classroom or ManageBac (for the IB section) for instructions regarding live lesson arrangements. The attached Rules and Regulations for Live Lessons and Attendance Policy should be strictly observed by students.

The G12 Mock Examinations will tentatively commence on Tuesday, 11 January, according to the Tuesday examination schedule. The examinations originally scheduled for Monday, 10 January will be postponed to a reserve examination day, with details to be announced at a later date. G12 teachers may arrange Zoom lessons with their classes on Monday, 10 January at their own discretion.

In preparation for possible resumption of on-campus teaching and learning activities, the school premises were thoroughly sterilized from 7 to 9 January, and the school will continue enforcing high-standard hygienic control until the threat of the pandemic subsides. As the situation could evolve rapidly, please be reminded to check the HKT Smart School Parents' app and ManageBac for further updates regarding the mode of teaching.

Let us remain vigilant and safe in the midst of this pandemic. We look forward to seeing all of our students on the Hill soon.

Yours faithfully,

R.K.Y. Cheng
