20 January 2022

Dear Parents / Guardians,

Commencement of Online Teaching and Learning

As per the EDB's press release from earlier today, the **half-day Zoom timetable** will be adopted for all G7-12 teaching and learning activities from **Monday, 24 January** until further notice. Students are reminded to bring their textbooks and belongings home by the end of the week and regularly check Google Classroom or ManageBac for live lesson arrangements from their teachers. The Rules and Regulations for Live Lessons and Attendance Policy, released on 9 January, should be strictly observed.

In preparation for their upcoming DSE examinations, G12 NSS students will take their Mock Examinations on campus, following the existing examination timetable. The G12 English Oral Examination will be rescheduled to **Thursday, 27 January at 14:00**. Students should check the revised examination details which will be posted on Google Classroom. Meanwhile, G12 IB students will have Zoom classes following the current half-day schedule.

The School will continue to observe the Health Protection Measures for Schools issued by the EDB in order to safeguard our community. Thank you for your unwavering support towards the School in these trying times, and let us look forward to seeing each other on the Hill soon.

Yours faithfully,

R.K.Y. Cheng
Headmaster
