8 June 2022

Dear Parents / Guardians,

Red Rainstorm Warning Arrangements

As the red rainstorm warning has been hoisted by the Hong Kong Observatory at 10:45, please note that special dismissal arrangements will be implemented today. If a red or black rainstorm warning persists until 12:55, your son will only be dismissed if they are picked up by a parent or guardian. Otherwise, he will need to stay on campus until the weather conditions allow for them to safely leave on their own. In the meantime, school staff will stay with the students and dismiss the students when conditions permit.

Thank you for your attention.

Yours faithfully,

R.K.Y. Cheng
Headmaster
